I'm happy to have done my training through Award Training. Their lecturer is friend and patient with his learners. I have ~~be~~ learnt alot through office administration. I working more with the quality of the factory. It was interesting learning about the tools that you can use in the work shop. What kind of materials or equipment you can use to measure ~~equipm~~ material in the workshop. It was quiet an experience. What I have learnt I can take with me forever.
